

find\_scale\_name

```
graph LR; A[find_scale_name] --> B[find_mapping]; B --> C[ft_strcmp];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'find\_scale\_name'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'find\_mapping'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'ft\_strcmp'.
