

check\_line\_second\_pass

```
graph LR; A[check_line_second_pass] --> B[check_clue_line]; B --> C[count_visible];
```

A flowchart consisting of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'check\_line\_second\_pass'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'check\_clue\_line'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'count\_visible'.
