

check_acceptable_keys

```
graph LR; A[check_acceptable_keys] --> B[validate_acceptable_key]; B --> C[ft_strlen];
```

A flowchart illustrating a sequence of three functions. The first function, 'check_acceptable_keys', is highlighted with a gray background. A blue arrow points from it to the second function, 'validate_acceptable_key', which has a white background. Another blue arrow points from the second function to the third function, 'ft_strlen', which also has a white background. All three functions are enclosed in rectangular boxes with black borders.
